

“We are proud to announce that one of our faculty members, Dr. Larry Karrh, has been honored with the highest award among family doctors in Texas by the Texas Academy of Family Physicians. Dr. Karrh received the 2009 Texas Family Physician of the Year award. Each year patients and physicians nominate extraordinary family physicians throughout Texas, and a panel of TAFP members selects only one as the family physician of the year. We are truly blessed to have him on our faculty. Dr. Karrh faithfully served the community of Plainview, Texas for 27 years before joining the faculty at CHRISTUS Santa Rosa. For all of us he is a role model, teacher, gentleman, and exceptional family physician! Congratulations Dr. Karrh!!!”
